BioScienceEssentials2BRN a virtual support trolley for enrolled nurses, at a glance

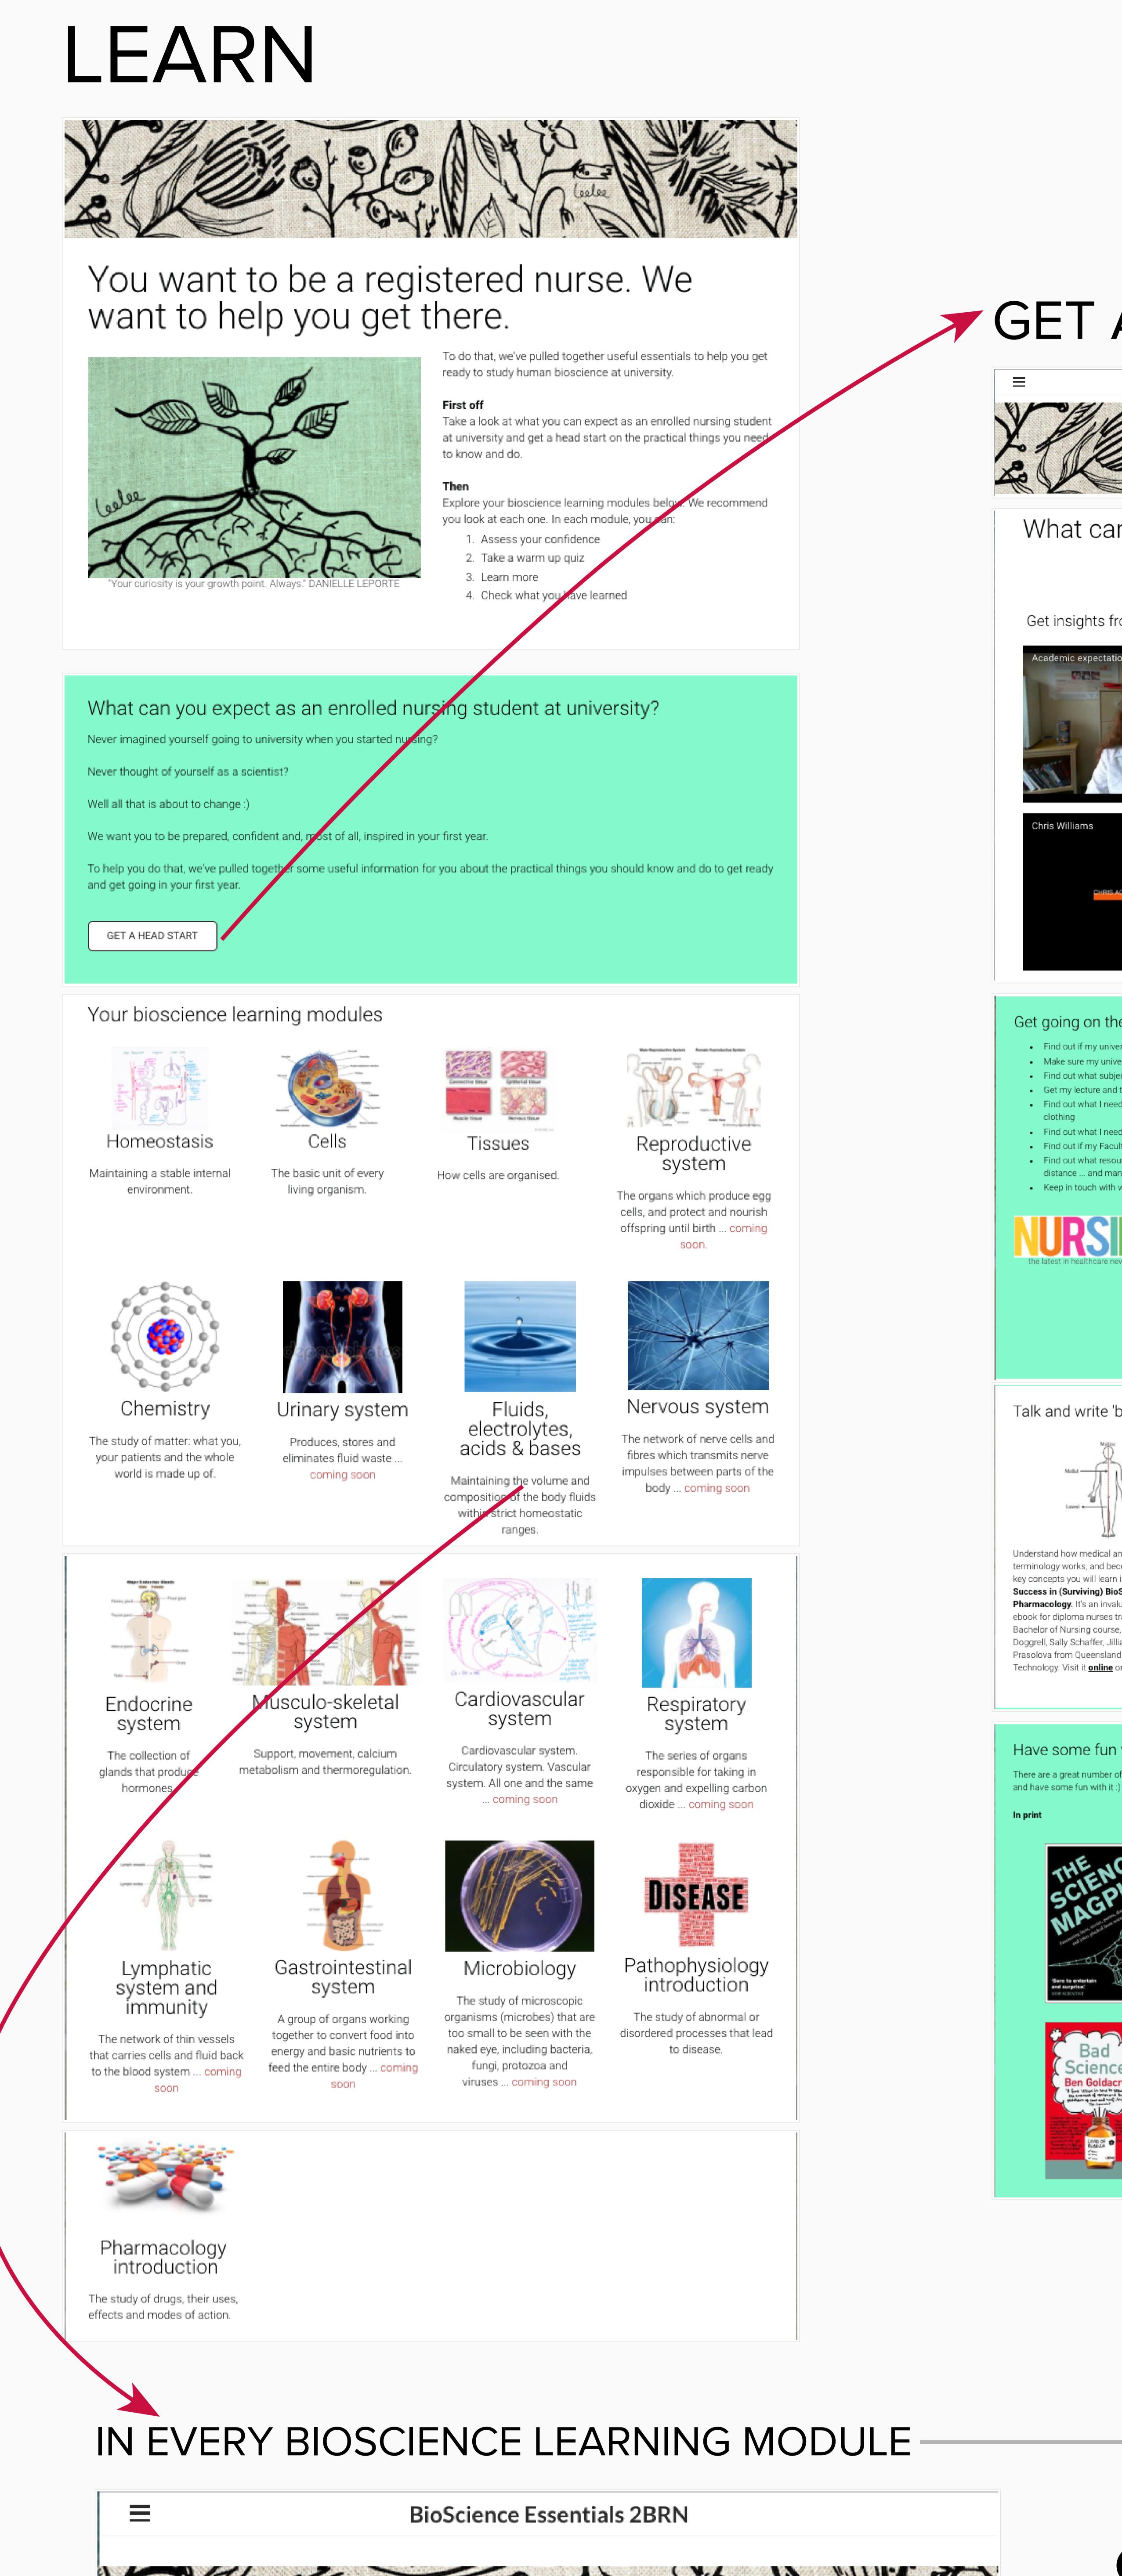

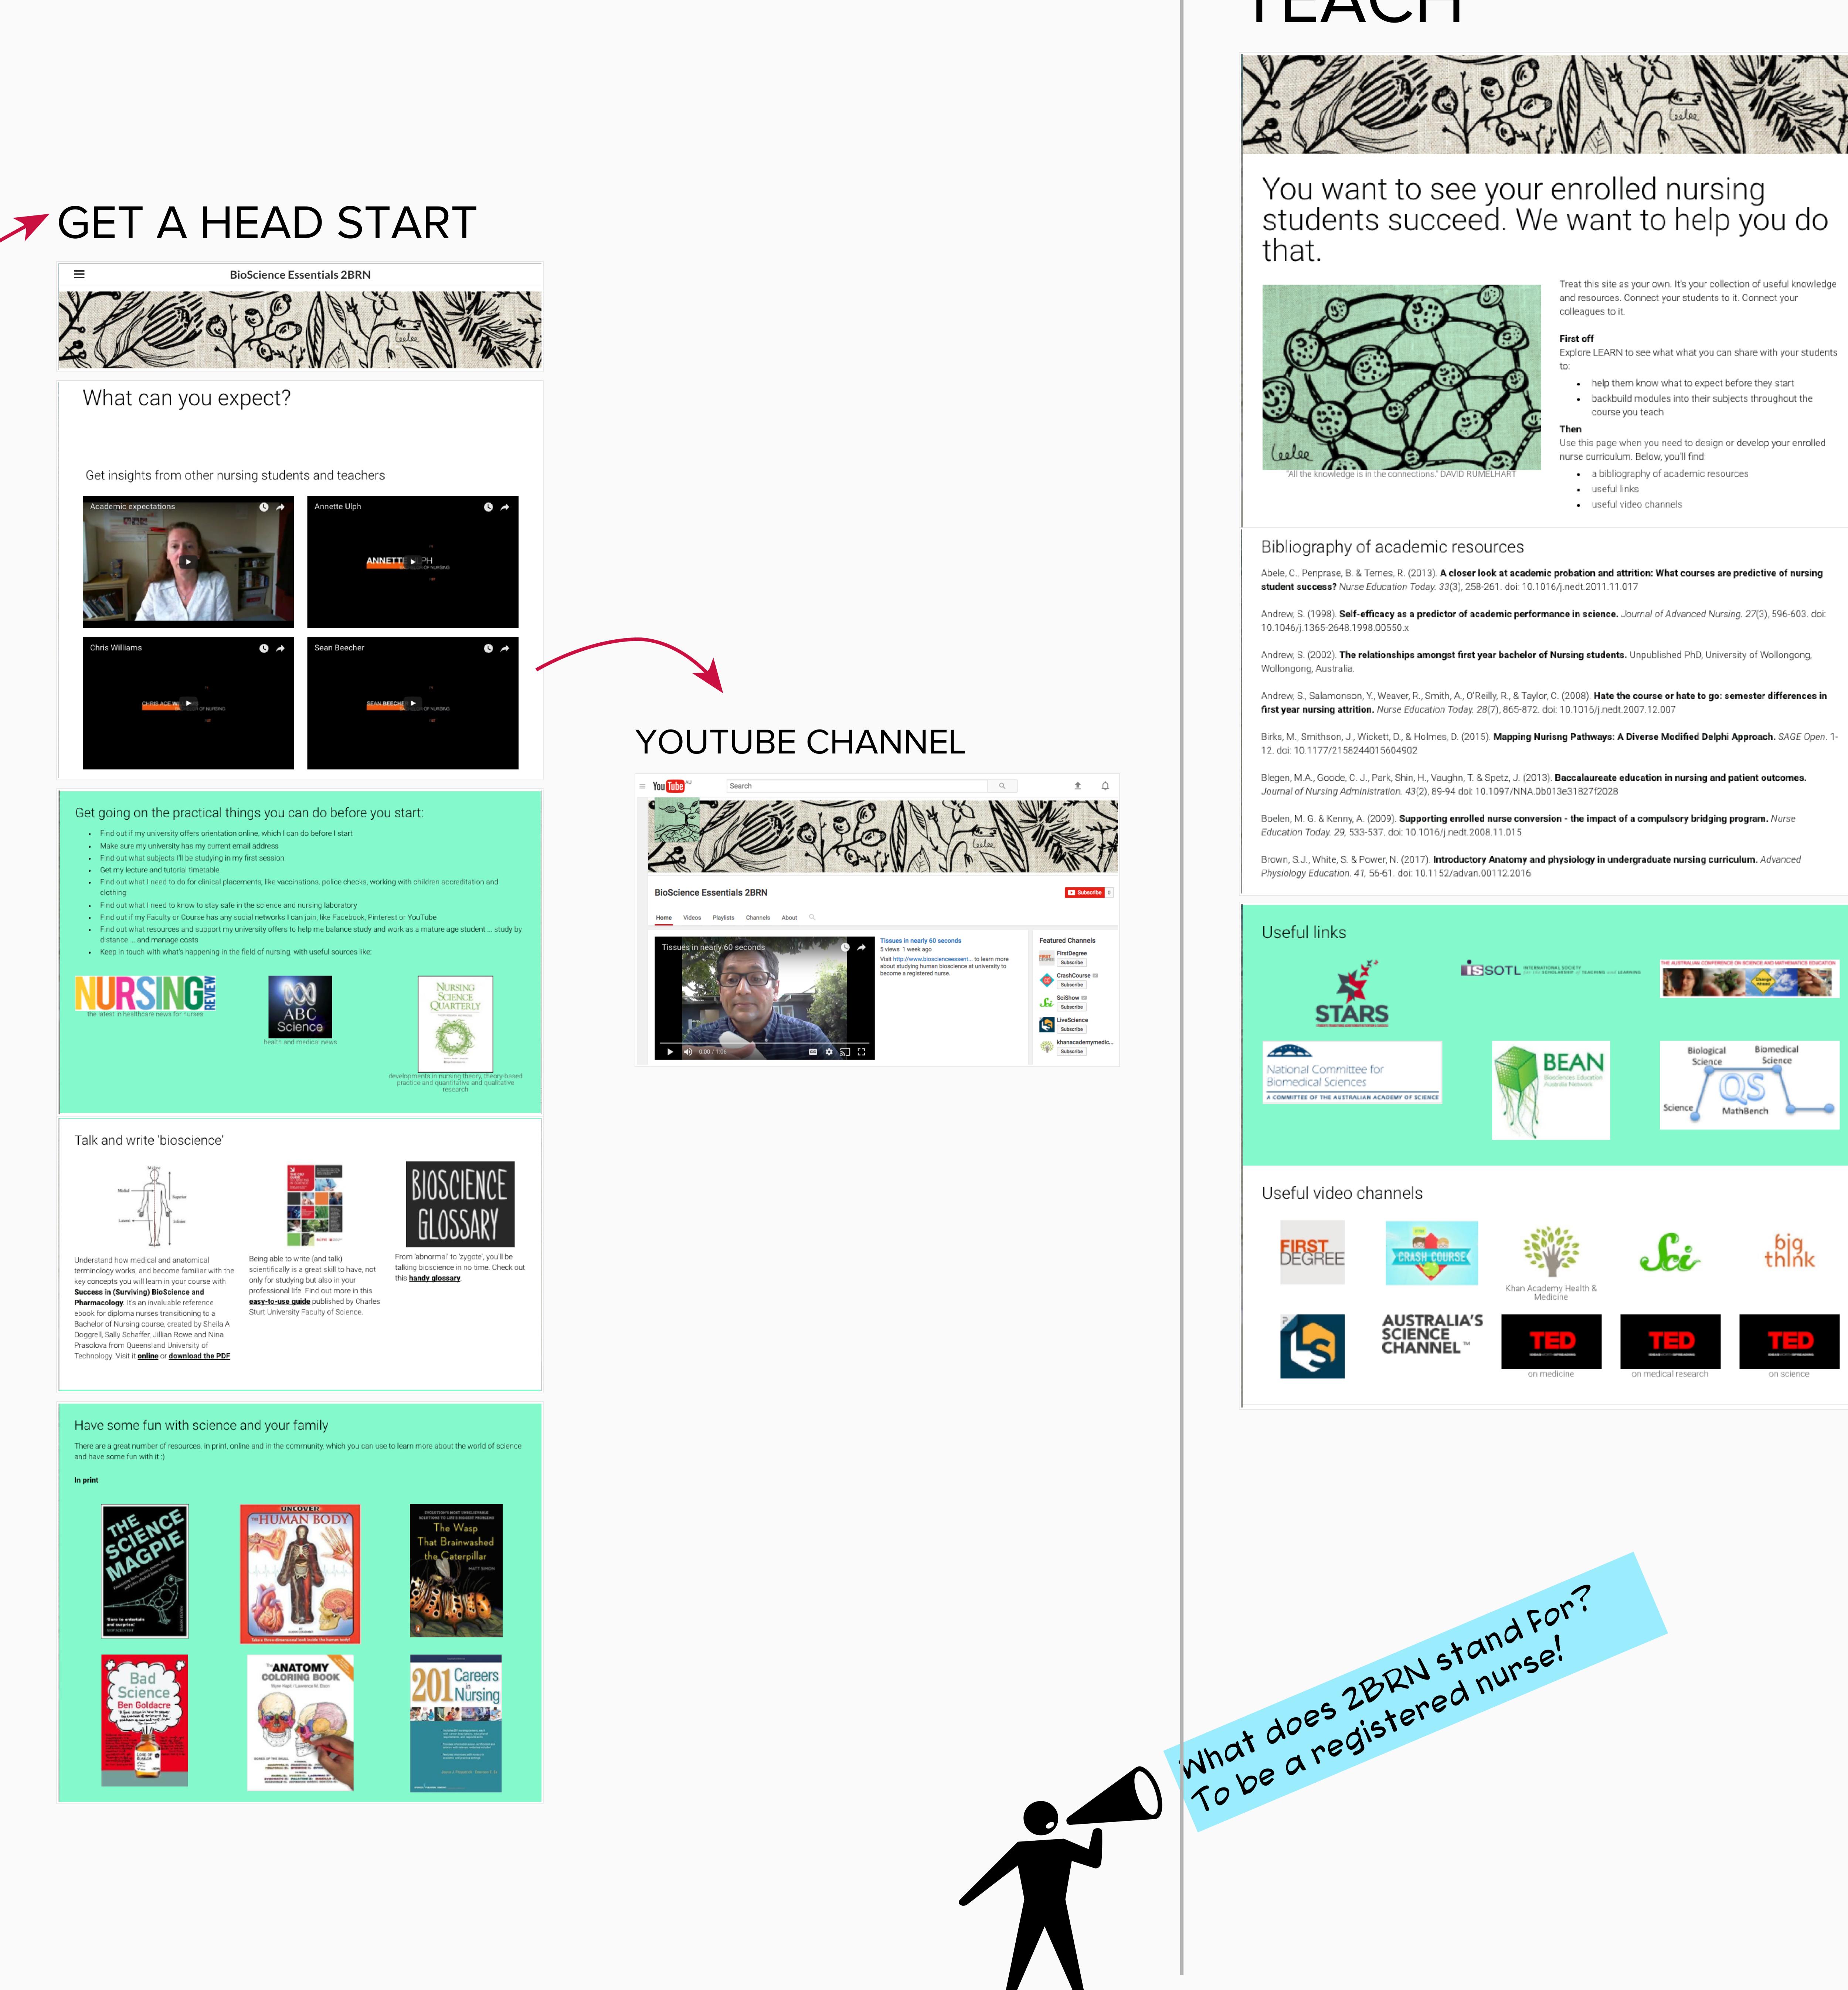

AN INTEGRATED PACKAGE OF KNOWLEDGE AND RESOURCES TO SUPPORT ENROLLED NURSES IN THEIR TRANSITION TO PRE-REGISTRATION NURSING DEGREES

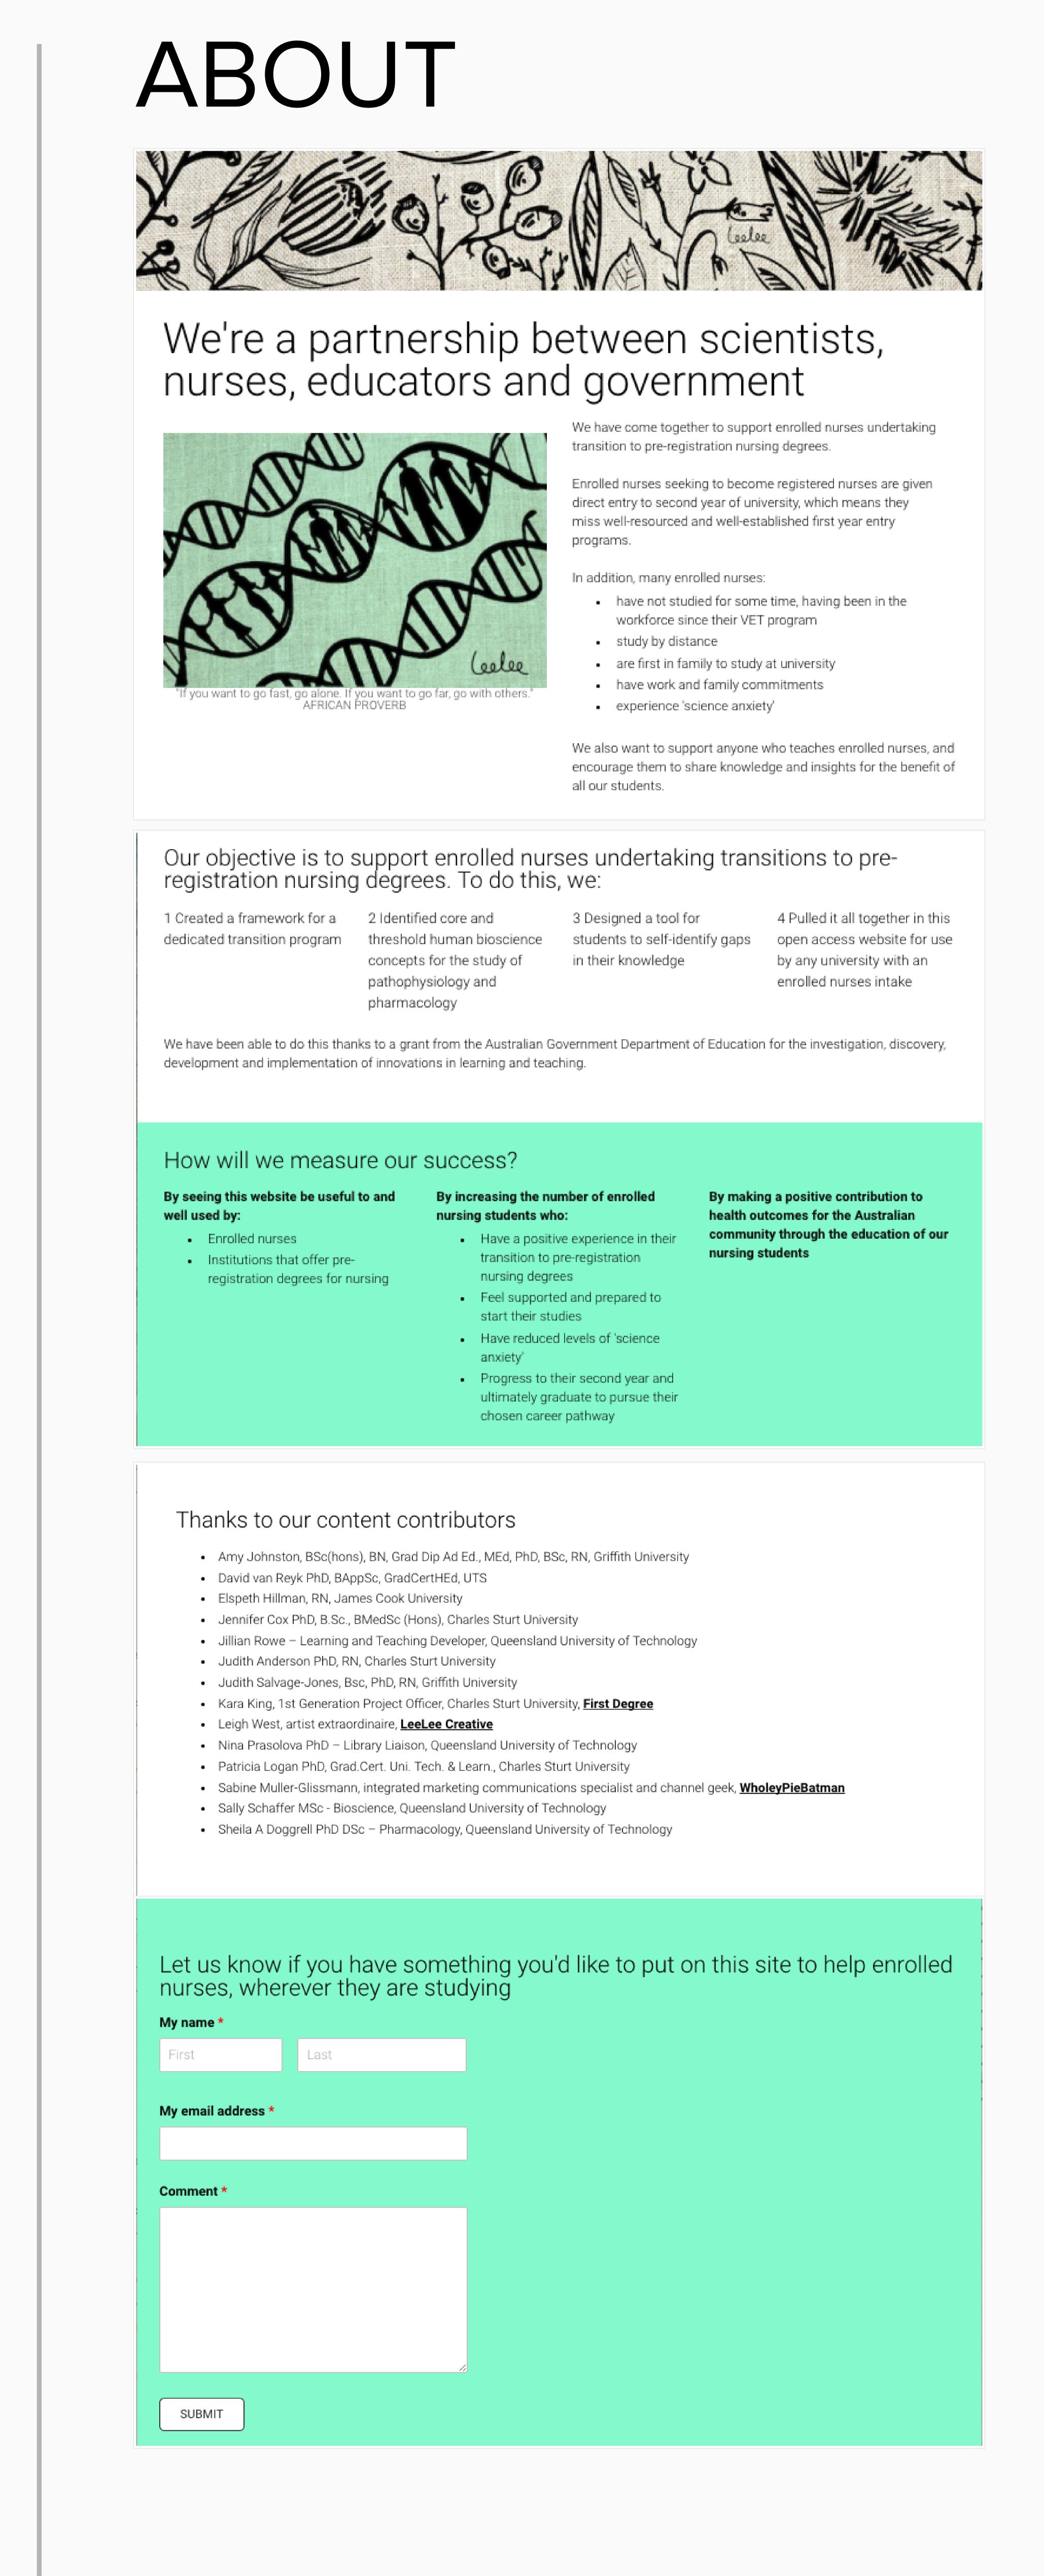

It's been designed so they can take it with them wherever they go ... to university, work or home ... and use it in a way which suits their individual knowledge levels.

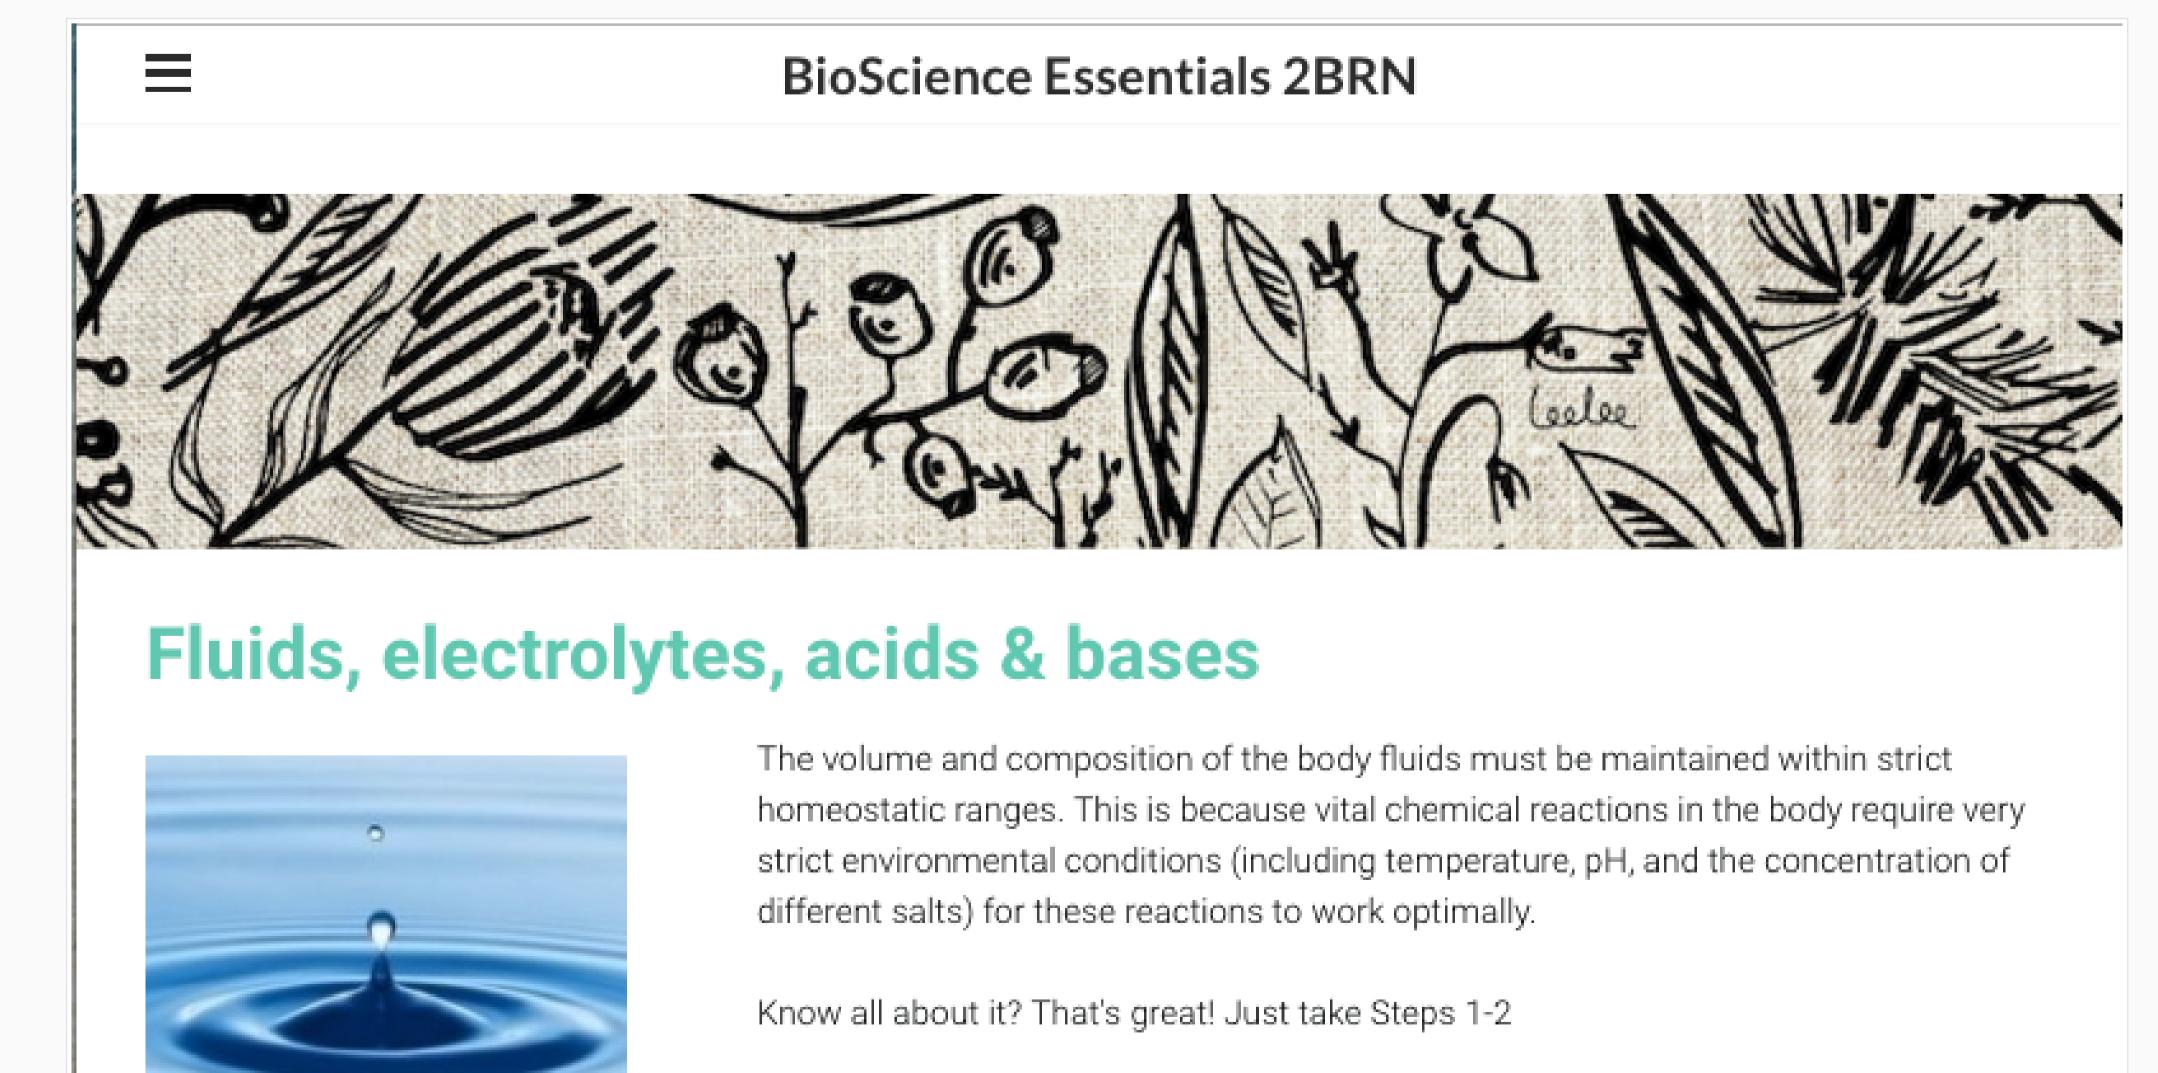

The centrepiece is an open-source, mobile-responsive website which is a navigation tool to:

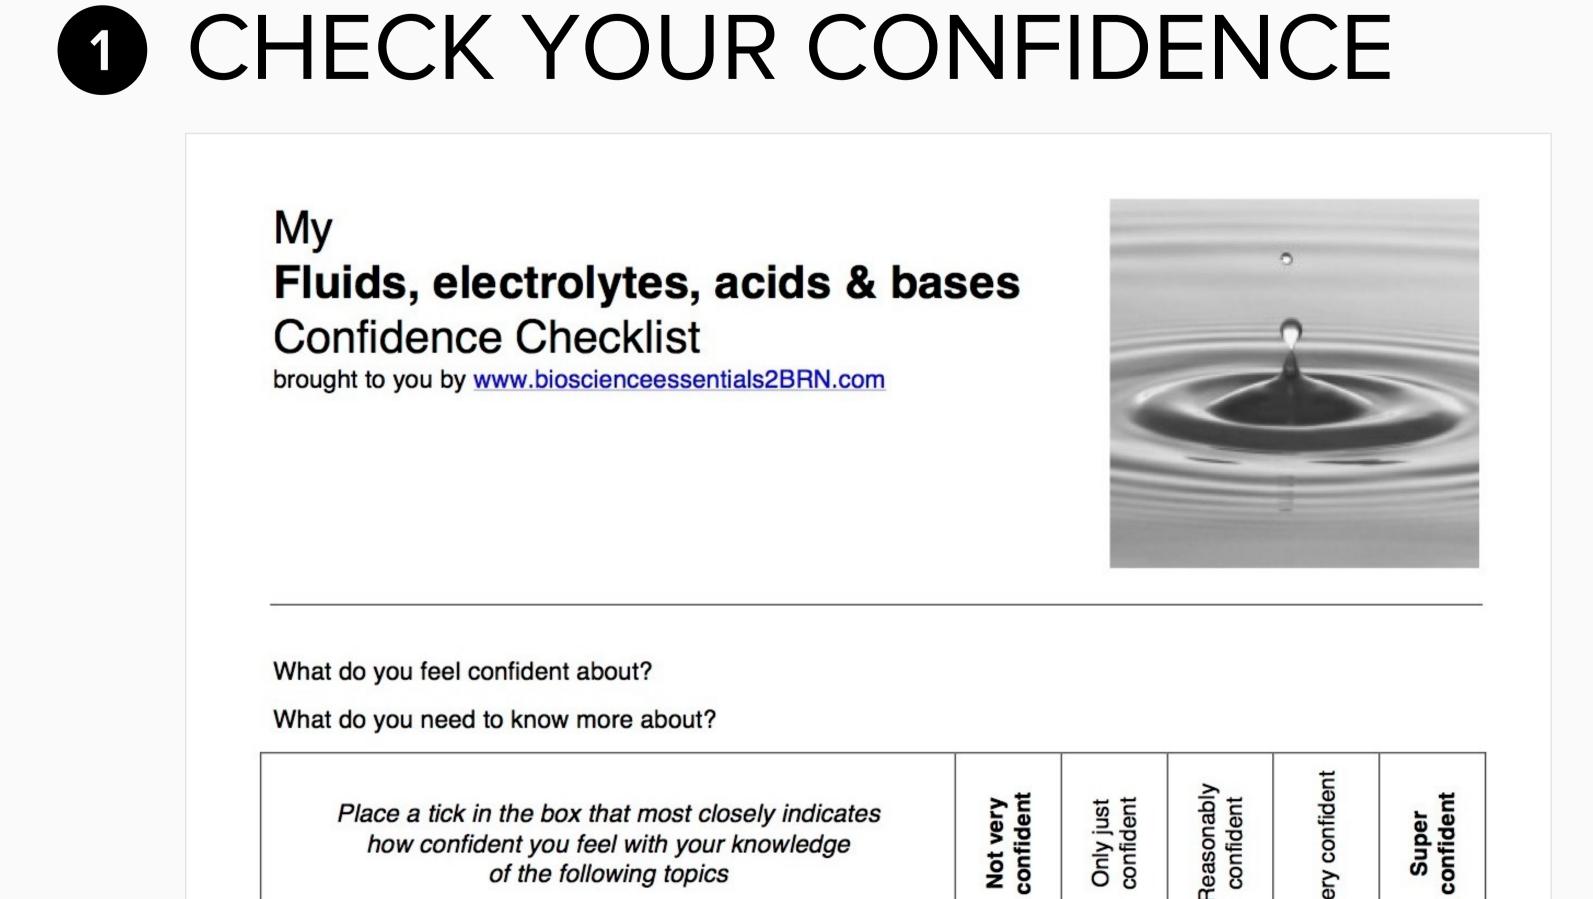

- > Self-assessment checklists and quizzes
- > Learning modules to bridge knowledge gaps
- > Concepts, terminology and writing guides
- > Videos from teachers and students talking about expectations and experiences
- > A 'get ready for university' checklist
- > Resources to engage the family
